REGISTRATION FEES

General Admission: 20 GBP

General Admission LMIC Delegates: 10 GBP

ABSTRACT INVITATION

We now invite abstract submissions of recent/current primary research studies. Abstracts should focus on pre-term birth, stillbirth and related sexual, reproductive, maternal, newborn, child and adolescent health global health issues. Presentations will cover a broad range of disciplines from across the biomedical, clinical and social sciences, as well as multidisciplinary approaches. Data from High Income Countries will be accepted but must consider its relevance to LMICs.

ABSTRACT GUIDELINES/SUBMISSION HIGHLIGHTS

- Detailed instructions for abstract preparation, format and submission can be found here:
<https://www.primeglobalhealth.co.uk/events/event-details.php>
- Registration for the conference is preferred before abstract submission. Following registration, an abstract submission link will accompany your notification of successful registration to enable your online submission of an abstract(s).
- Abstract submission deadline: 18 February 2021.
- Notification of abstract acceptance and instruction for presentation format: 28 February 2021.

FOR ANY ABSTRACT ENQUIRIES PLEASE EMAIL
